

SAGIA operates a network of One-step Shops in Riyadh, Jiddah and Dammam, which provide investors with all the necessary services for investment in Saudi Arabia, receipt of applications, guidance through the licensing process and facilitation (?) of benefits from a wide range of incentives and post licensing services. Currently there are also representatives of SAGIA assigned to the United States as well as other major European and Asian cities. Representatives act as the contact point for investors within their respective country. They answer questions regarding investing in Saudi Arabia in addition to participating in relevant events that will highlight countless opportunities within the Kingdom.

Moreover, an additional One-stop Service Center will be located in the Park Management Center of Rabigh CIP. The Service Center will provide investors with the following support:

- Investment Approval Procedures
- Sample Investment Application Forms
- Support on Visa Applications
- Support on Business Licensing and Registration

Upon investment, SAGIA will introduce valuable information for foreign investors. More information on the services provided by SAGIA is available at:
